The Editor-in-Chief and the Associate Editors have decided to retract this article.

Upon investigation carried out according to the Committee on Publication Ethics guidelines, it has been found that the authors submitted an unpublished paper of which they are not the original authors.

The authors admitted their misconduct and agreed to retract this article.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00253-015-6453-0>.
