We found that this article was inadvertently published twice in Applied Microbiology and Biotechnology. Citations on the article “Effect of continuous ozone injection on performance and biomass accumulation of biofilters treating gaseous toluene” by Jinying Xi, Prakrit Saingam, Fen Gu, Hong-ying Hu, and Xufei Zhao should refer to DOI [10.1007/s00253-014-6248-8](http://dx.doi.org/10.1007/s00253-014-6248-8), Vol. 99/Issue 1 which is part of the Special Issue “Biotechniques for Air Pollution Control and Bioenergy”.

This comment refers to the article available at: <http://dx.doi.org/10.1007/s00253-014-5888-z>.
