After the article was published, the author submitted some further corrections. They are listed below:

- The correct name of our university is “Eskisehir Osmangazi University”, so it would be better to add the word “Eskisehir” to the address in two places on the first page.
- On page 359, at the bottom of the page, the reference should be corrected as “Kacaroglu (1991; Kaçaroglu and Gunay 1997a, b)”.
- On page 360, in the Study Area chapter, sixth line from the bottom, after the expression “...and ophiolitic melange of the Triassic age”, the reference should be given as “(Gozler et al. 1996)”.
- On page 360, in the Study Area chapter, sixth line from the end of the chapter, the reference should be given as “(Kaçaroglu and Gunay 1997a)”.
- On page 362, at the bottom of the page, explanation under Fig. 1, at the end of the figure caption, reference should be given as “(Modified from Gozler et al. 1996)”.
- On page 367, the reference should be added at the end of the

figure caption of Fig. 3 as: “(After Su-Yapi, 2001)”.

- On page 372, the reference should be added at the end of the table explanation on Table 5 as: “(EGDE, 2000)”.
- On page 374, the additional reference: “EGDE (2000) The 2000 results of the Eskisehir branch of the General Directorate of Environment (unpublished data)” should be added to the References part of the paper as the tenth reference to the references list.
- On page 374, the additional reference: “Gozler, Z., Cevher, F., Ergul, E., Asutay, J. 1996. Geology of Southern and Middle Part of Sakarya. MTA publications No: 9973, p. 97. Ankara (in Turkish)” should be added to the References part of the paper as the thirteenth reference to the references list.
- On page 375, the additional reference: “Su-Yapi (2001) The project of water management plan of the Porsuk River Basin. Term Report, Chap 12, pp 12–62. Eskisehir (in Turkish)” should be added to the References part of the paper as the twenty-third reference to the references list.
