QUESTION: 46 year old African American female with chronic jaw discomfort, now presenting with more acute jaw pain

Axial CT images of the maxilla (a) and mandible (b) viewed at bone windows, and soft tissue windows (c)

Coronal reformatted CT images of the maxilla and mandible

Curved thick reformatted image acquired from the CT dataset

The diagnosis can be found at doi: 10.1007/s00256-013-1764-7
