This article has been withdrawn at the request of the Editor-in-Chief of *European Journal of Nuclear Medicine and Molecular Imaging* owing to the unexplained close similarity of some passages to parts of a previous publication [Rushing SE, Langleben DD. Relative function: Nuclear brain imaging in United States courts. *J Psychiatry Law* 2011; 39 (winter): 567–93].

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00259-013-2401-3>.
