Erratum to: Eur J Nucl Med Mol Imaging
DOI 10.1007/s00259-014-2833-4

The first elements of some authors' family names were coded incorrectly, with the result that those names were rendered incorrectly in the affiliations and by indexing and abstracting services. The article has now been corrected and the correct names also appear here.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00259-014-2833-4>.
