Department of Diagnostic Radiology, Khoo Teck Puat Hospital, 90, Yishun Central, Singapore 768828, Singapore

Erratum to: Abdom Radiol (2016) 41:1437–1438 DOI 10.1007/s00261-016-0688-9

The original version of the article contains a mistake. Line number 29 states that “CT can accurately diagnose any abnormality in the SMA and SMV relationship (normally the SMV is located to the left of SMA)” which is incorrect. It should read as “CT can accurately diagnose any abnormality in the SMA and SMV relationship (normally the SMV is located to the right of SMA)”.
