Erratum to: Environmental Management (2011)
48(6):1061–1065
DOI 10.1007/s00267-011-9782-5

Unfortunately, there is an error in the first sentence of the section “Introduction” in the original publication of the article. The value “960 million km²” is incorrect and should be “9.6 million km².”

The correct sentence should read as:

“China is one of the largest countries in the world; it has a 9.6 million km² land area and a population of 1.3 billion.”

The online version of the original article can be found under doi:[10.1007/s00267-011-9782-5](https://doi.org/10.1007/s00267-011-9782-5).
