DOI 10.1007/s00268-009-0262-5

The references to “our institution” in both the Abstract and Methods sections of the original paper may be misleading to the reader as the authors’ intent was to refer to both

Heinrich-Heine-University Düsseldorf and the University of Hamburg.

All surgeons that collected patients and data, analyzed data, performed follow up, or wrote the original paper moved from the University of Hamburg to Heinrich-Heine-University Düsseldorf in 2003.

The online version of the original article can be found under doi:[10.1007/s00268-009-0262-5](https://doi.org/10.1007/s00268-009-0262-5).
