Janine Croser · Sergio Ochatt · Albert Vandenberg ·
Thomas D. Warkentin

Published online: 1 April 2010
© Springer-Verlag 2010

Erratum to: Plant Cell Rep (2009) 28:1289–1299 DOI 10.1007/s00299-009-0731-1

The mistakes in the original paper were corrected as follows:

1. Page 1290, “Material and methods”, under section “Centrifugation, electroporation and osmotic stress”, line 13: ‘electrodes 4 mm apart’ should read ‘2 mm apart’.
2. Electroporation values

Voltage given	Replace by
50	250
125	625
200	1,000
250	1,250
300	1,500

Voltage given	Replace by
350	1,750
400	2,000
450	2,250
500	2,500

3. Page 1292, Table 2 for medium RM-D and RM-IK: ‘40 mg/L FeSO₄·7H₂O EDTA’ should read ‘27.8 mg/L FeSO₄·7H₂O and 37.3 mg/L Na₂EDTA’.
