Due to a transcription error, the affiliation for Je Sung You in the article entitled “Comparison of diagnostic performance between single- and multiphasic contrast-enhanced abdominopelvic computed tomography in patients admitted to the emergency department with abdominal pain: potential radiation dose reduction”, was incorrectly published. We would like to clarify that the affiliation should read as follows:

Department of Emergency Medicine, Yonsei University
College of Medicine, Seoul, Korea

We apologise for this error in the author list; the error was multifactorial.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00330-014-3481-6>.
