Erratum to: Coral Reefs DOI 10.1007/s00338-007-0261-7

Unfortunately, the caption text for Fig. 2 is incorrect. The correct caption is given below:

Fig. 2 Cryptic species detected by genetic markers. **a** *Halichoeres maculipinna* from the Caribbean, and

c *Halichoeres penrosei* from Brazil are separated by a mean sequence divergence of 6.5% at the cytochrome *b* mtDNA gene. **b** *Rypticus saponaceus* from Brazil, and **d** West Africa are separated by a mean sequence divergence of 4.1% at the cytochrome *b* mtDNA gene
