Correction to: Coral Reefs

<https://doi.org/10.1007/s00338-019-01787-8>

In the original print, the addresses of authors Wiedenmann and D'Angelo were incomplete and the acknowledgements failed to mention the Galapagos National Park and CDRS publication number. These errors are corrected herein.

Acknowledgements We are grateful to The Galapagos National Park Directorate (GNPD) for their support of this research. This publication is Contribution Number 2263 of the Charles Darwin Foundation for the Galapagos Islands. Funding by Darwin Initiative,

Conservation International-Ecuador (Galapagos program and CI-ETPS), The Leona M. and Harry B. Helmsley Charitable Trust, and the Walton Family Foundation to the Eastern Tropical Pacific Seascape Transition Phase (CI 2014-560) is greatly appreciated. P.W. Glynn acknowledges U.S. National Science Foundation support, Grants OCE-1447306, OCE-9314798 and earlier awards. Authors thank K. Collins and S. Steiner for assistance with field work. Cptn. Pico and the crew of RV Queen Mabel were a steadfast support through all kinds of weather. The contribution of JW and Cd'A was funded by NERC (NE/K00641X/1) and European Research Council under the European Union's Seventh Framework Program (FP/2007-2013/ERC Grant Agreement No. 311179).
