on page three, and the table labeled as table one should be table three on page five.

The author would like to correct the error in the publication of the original article. The corrected detail is given below for your reading.

On page three of the article, Table 1: Clinicopathological characteristics of Gleason sum 9/10 compared with Gleason sum 8 prostate cancers, and page five of the article, Table 3: Clinicopathological characteristics of PSA-standardised cohorts for Gleason sum 9/10 compared with Gleason sum 8 prostate cancers, the tables should be reversed. The table labeled as table three should in fact be table one
