The original version of this article unfortunately contained a mistake in Title and reference Thurstone, L. L. (1927).

The Title should be “A Framework for Quantifying Qualitative Responses in Pairwise Experiments”.

The correct reference should only be presented as “Thurstone, L. L. (1927). A law of comparative judgment. *Psychological Review*, 34, 273–286.” deleting the statement that comes after this.

The original article has been corrected.
