In “Materials and methods”, under heading “SWS1 sequencing”, the two reverse primers mentioned in the last sentence of the first paragraph under sub-heading “Passerines” were published with errors. The correct sentence should read as “We designed two forward primers (SWS1_F1: 5'-CSCC CACGTGGGCCTTCTACC-3'; SWS1_F2: 5'-GTACCAC ATCGCSCCCATGTG-3') and two reverse primers (SWS1_R1: 5'-GTGCCCACCGTGTACCAGTC-3'; SWS1_R2: 5'-C ASGTGGCCRCACGACCAGC-3')”.
