The original version of this article unfortunately contains an error in page 1145, second column, fourth line from the bottom. The word “Kanto100” should read as “Enrei.” Therefore, the entire sentence should read as, “In plants inoculated with the AM fungus alone, the arbuscule abundance in the roots of Kanto100 was 3.6–8.0 % higher than in Enrei, but a significant difference was not found (Fig. 4).”
