The original version of the article has been published with a sub title ‘Impact of domain size on ISM simulations’ printed just below the main title. It should be removed from the title page of the article. Further, the running head in the right hand pages should read as ‘Impact of domain size on ISM simulations’ instead of ‘mixed convection scheme and driven by HadGEM2’.

The online version of the original article can be found under doi:[10.1007/s00382-014-2420-1](https://doi.org/10.1007/s00382-014-2420-1).
