Erratum to: Lung (2015) 193:401–408 DOI 10.1007/s00408-015-9701-2

Unfortunately, there is a minor error in Table 1 of the original publication. As for the number of respondents who had ‘seen a doctor regarding cough at least once’, the corresponding figures should be 1043 (93) instead of 104 (93).

The online version of the original article can be found under doi:[10.1007/s00408-015-9701-2](https://doi.org/10.1007/s00408-015-9701-2).
