Erratum to: S-type ignimbrites with polybaric crystallisation histories: the Tolmie Igneous Complex, Central Victoria, Australia

J. D. Clemens · W. D. Birch · R. J. Dudley

Published online: 13 July 2011
© Springer-Verlag 2011

Erratum to: Contrib Mineral Petrol DOI 10.1007/s00410-011-0652-1

The original article was published with some errors. These are listed below as corrected:

1. The correct name and initials of the third author is R. J. Dudley.
2. The correct last sentence of Fig. 6 caption should read 'As discussed in the text, the conditions of early crystallisation lie within the light grey field'.
3. The third line in page 12 (right column and second para) should refer to Fig. 10 and not 'Fig. 12'.

4. Delete the last sentence of the caption to Fig. 8. See correction 5 (below) for the colour coding of symbols.
5. The colour coding in the graphs of Figs. 8–10 and 12–14 is as follows:

Green squares—low-Ba Ryans Creek Ignimbrite
Red squares—high-Ba Ryans Creek Ignimbrite
Blue dots—Toombullup Ignimbrite
Yellow triangles—Molyullah Ignimbrite
Mauve diamonds—Myrree porphyritic microgranodiorite
Black circles—Hollands Creek Ignimbrite
