Application of material forces to fracture of inhomogeneous materials: illustrative examples

Published online: 22 July 2008
© Springer-Verlag 2008

Erratum to: Arch Appl Mech (2007) 77:95–112
DOI 10.1007/s00419-006-0058-0

The authors detected a misprint in Eq. (7) which should correctly be written as

$$J_{\text{far}} = 2 \int_{\text{Path 2}} \phi \, ds - 2 \int_{\text{Path 4}} \phi \, ds. \quad (7)$$

All calculations in the text are not affected by this misprint.

The online version of the original article can be found under doi:[10.1007/s00419-006-0058-0](https://doi.org/10.1007/s00419-006-0058-0).
