Eur J Appl Physiol (2003) 89:184–190

The introduction of this article stated that 'low density lipoprotein' are a feature of the atherogenic lipoprotein

phenotype. This was a misprint and should have stated that 'small dense low density lipoprotein' are a feature of the atherogenic lipoprotein phenotype.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00421-002-0788-9>
