Erratum to: Eur J Appl Physiol
DOI 10.1007/s00421-012-2470-1

The original article has been published with an error in the final sentence of the second paragraph on page six (right column). The correct sentence should read as given below.

“The reason for the differences in central fatigue between the **CYC** and the other two groups is unclear, and further investigation is required to confirm this finding.”

The online version of the original article can be found under doi:[10.1007/s00421-012-2470-1](https://doi.org/10.1007/s00421-012-2470-1).
