In article “ Cl^- channels in smooth muscle cells” by Bulley, S. and Jaggar, J.H., DOI: 10.1007/s00424-013-1357-2, the hypertonic and hypotonic labels of figure 4 had been switched by accident. The correct figure 4 is depicted below.

Fig. 4 Recombinant CIC-3 and SMC volume-regulated Cl^- currents. Osmotic regulation of whole-cell currents recorded from gpCIC3-transfected NIH/3 T3 cells under isotonic, hypotonic, and hypertonic conditions [28]. Adapted by permission from Macmillan Publishers

Ltd: ref. [28]. Volume regulation of whole-cell currents recorded from A10 vascular SMCs under similar conditions [149]. Reproduced with permission from ref. [149]. © 2008 The American Society for Biochemistry and Molecular Biology. All rights reserved
