The original version of this article, unfortunately, contained errors.

In the Materials and Methods section, the authors defined the *ROS1* gene rearrangement as more than 15 % of tumor cells showing split or isolated red signals. The word “red” should have been “green”.

In the Acknowledgment, the authors also wish to add an omitted grant provided by: The Korea Healthcare Technology R&D Project, Ministry of Health and Welfare, Republic of Korea (HI14C1907).
