Correction to: Zoomorphology (2016) 135:205–216
<https://doi.org/10.1007/s00435-016-0308-9>

The Acknowledgements and results sections in this article were incomplete. The authors would like to add the following for this article:

We wish to thank Dr. De Juan and Dr. Grzywacz for initiating and providing histological advice about embryonic development of turtle retinas.

Further results have been published in the Journal of Life Sciences (Libertyville, Ill.), 2012(6): 1200–1205: Does Müller cell differentiation occur prior to the emergence of synapses in embryonic turtle retina? by Yolanda Segovia, Rosa María Perez, Norberto Mauricio Grzywacz and Joaquin De Juan.

The original article can be found online at <https://doi.org/10.1007/s00435-016-0308-9>.
