Mutation and polymorphism analysis of the *TRKA (NTRK1)* gene encoding a high-affinity receptor for nerve growth factor in congenital insensitivity to pain with anhidrosis (CIPA) families

Published online: 3 May 2000

© Springer-Verlag 2000

Hum Genet (2000) 106:116–124

Inadvertently, four errors appeared in Fig. 1 and its legend. In the upper box of Fig. 1i, “D648C” and “EcoRV” should be “R648C” and “NspI”, respectively. In the corresponding part of the figure legend, “Asp→Cys” should be “Arg→Cys”. In the upper box of Fig. 1j, “NspI” should be “EcoRV”.

The online version of the original investigation can be found at
