The original version of the article unfortunately contained a mistake on page 382, second column, in the paragraph section headed “Eosinophil preparation from rat and human blood”.

In line 5–6 of this section, it should read “250 g for 20 min at 20°C” instead of “250 g in place of 1000 rpm for 20 min at 20°C” as printed.

In line 8 of this section, it should read “1000 g for 20 min at 20°C” instead of “1000 g in place of 2000 rpm for 20 min at 20°C” as printed.

Please correct your copy of this issue.
