On page 375, left column, row 11, the sentence beginning “*Polyommatus coridon gennargenti*...” should read as follows: “Here we investigate the temporal variability of abundance and sex ratio of one local population of the

Sardinian chalk hill blue butterfly (*Polyommatus coridon gennargenti*, Lepidoptera: Lycaenidae) during a single flight season using 14 robust design models.” The beginning of the sentence was missing in the printed version of this article.
