Erratum to: Oecologia DOI 10.1007/s00442-015-3261-2

The authors would like to publish an erratum to correct the errors in Fig. 1 and the journal title in the reference. The correct version of Fig. 1 is given in the following page and the reference should read as:

Westerling AL, Turner MG, Smithwick EAH, Romme WH, Ryan MG (2011) Continued warming could transform greater yellowstone fire regimes by mid-21st century. *Proc Natl Acad Sci* 108:13165–13170

The online version of the original article can be found under doi:[10.1007/s00442-015-3261-2](https://doi.org/10.1007/s00442-015-3261-2).
