Published online: 9 August 2013
© IPNA 2013

Erratum to: Pediatr Nephrol
DOI 10.1007/s00467-013-2484-x

Two errors appeared in the Abstract, in the paragraph Conclusion.

The correct text should be:

Biallelic inheritance of abnormalities of PKD1 may cause extremely severe disease resembling autosomal recessive polycystic kidney disease (ARPKD) which can result in diagnostic confusion. Accurate diagnosis is essential for genetic counseling
