Erratum

Mahmoud A, Saïd M-H, Dawahra M, Hadj-Aïssa A, Schell M, Faraj G, Long D, Parchoux B, Martin X, Cochat P: Outcome of preemptive renal transplantation and pretransplantation dialysis in children. *Pediatr Nephrol* (1997) 11: 537–541

The explanation of the lines in Fig. 1 in the above article were incorrect. The legend should have been printed as follows:

Fig. 1. a Actuarial graft survival rate and **b** patient survival rate of children with preemptive transplantation (*PET*, - - -) and pretransplantation dialysis (*PTD*, ———). Two patients from each of PET and PTD did not complete 1 year after transplantation
