Resistance of Scots pine wood to Brown-rot fungi after long-term forest fertilization

Published online: 17 January 2006
© Springer-Verlag 2006

Trees (2005) 19:728–734

In the online pdf and print version of the above article, part of the first sentence of the abstract is missing. The complete first sentence of the abstract should read: “The susceptibil-

ity of Scots pine (*Pinus sylvestris* L.) sap- and heartwood against the wood decaying brown-rot fungus (*Coniophora puteana*) was investigated after long-term forest fertilization at three different sites in central Finland.” The HTML version is correct.

The online version of the original article can be found at
