**Erratum to: Wien Klin Wochenschr (2014) 126: 42–52.
DOI 10.1007/s00508-013-0456-6**

Unfortunately some mistakes occurred in Table 1.

In some columns all of the “all patients” segment of this table, 1 line has been inserted in the wrong place; thus, a number of data is wrong.

The correct table is given below.
