The original version of this paper, unfortunately, contained an error.

The original title, “Detection of the M268T Angiotensinogen A3B2 mutation gene based on screen-printed electrodes modified with a nanocomposite: application to human genomic samples”, was incorrect.

The correct title should be “Detection of the M268T mutation angiotensinogen gene based on screen-printed electrodes modified with a nanocomposite: application to human genomic samples”, which is now given in this article.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00604-015-1616-3>.
