DOI 10.1007/s00606-009-0210-8

In the original published version of this article, in Fig. 1 and in the figure legend, the colors of intron and intergenic spacer are exchanged. The correct classification is:

yellow = intergenic spacer
red = intron

The online version of the original article can be found under doi:[10.1007/s00606-009-0210-8](https://doi.org/10.1007/s00606-009-0210-8).
