There are some errors in the legend of Fig. 4e and Fig. 2b:

Figure 4e: “around the ostium sphenoidalis” should have read “around the ostium of the diaphragm”, and “OS, ostium sphenoidalis” should be “OD, ostium of the diaphragm”.

Moreover, the legend of the Figure 2b should have read “Schematic representation of the *coronal* section of the sellar region”.
