Erratum to: Meteorol Atmos Phys (2011) 113:67–73
DOI 10.1007/s00703-011-0141-0

Concerns have been raised that large parts of this paper are similar to a paper published in Atmospheric Environments in March 2011. This paper is not cited in the manuscript published in MAAP.

Nishanth T, Ojha N, Satheesh Kumar MK, Naja M (2011) Influence of solar eclipse of 15 January 2010 on surface ozone. Atmos Environ 45(9):1752–1758
