In the abovementioned paper, the authors cite the paper “On the use of robust regression methods in wind speed assessment”, written by Soukissian and Karathanasi (2016); however, they have swapped these authors’ surnames (i.e., Soukissian and Karathanasi) with their forenames (i.e., Takvor and Flora).

Since bibliometric indices are important in today’s academic profiling, we would like to make the following correction to the citation:

Takvor HS, Flora EK (2016) On the use of robust regression methods in wind speed assessment. *Renew Energy* 99:1287–1298

with the following:

Soukissian TH, Karathanasi FE (2016) On the use of robust regression methods in wind speed assessment. *Renew Energy* 99:1287–1298

The original article has been corrected.
