Unfortunately, there were errors on the original publication of this article.

1. Figure 2: Due to standard genome annotation processing the NCBI reference number has been changed since publication of this review. The current NCBI reference number for the nematode is XP_003381013.1.
2. The protein sequence used for the nematode is *Trichinella Spiralis*, not *Caenorhabditis elegans* as stated in the main text. All domain alignment comparisons and similarity scores are accurate for *T. spiralis*.
