Application of synchrotron-radiation-based computer microtomography (SR μ CT) to selected biominerals: embryonic snails, statoliths of medusae, and human teeth

Published online: 21 October 2005
© SBIC 2005

J Biol Inorg Chem (2005) 10:688–695

In the title, the abbreviation (SR μ CT) was misspelled.
The correct title appears above.
