The authors have noted some errors in the original article publication. In Fig. 2e, figure legend and the text (p5, line 3) the R^2 value has been published inadvertently.

The corrected figure and text should appear as given below.

1. Fig. 2e:

2. In figure legend for Fig. 2

There is a statistically strong relationship between COX-2 expression level and MIB-1 index.

3. Text (p5, line 3)

Scatter plot analysis revealed a significant relationship between COX-2 expression level and MIB-1 labeling index (Fig. 2e).
