Erratum: Hydraulic relationships between buried valley sediments of the glacial drift and adjacent bedrock formations in northeastern Ohio, USA

Wondwosen Mekonnen Seyoum · Yoram Eckstein

Erratum to: Hydrogeology Journal (2014)
DOI 10.1007/s10040-014-1128-y

The alignment of Table 5 was incorrect in the original article. The correct information is presented below.

Table 5 The water budget in the buried valley sediment

	In flow (m ³ /day)	Out flow (m ³ /day)	In flow (%)	Out flow (%)
Drain (discharge to the river)	0	1,960	0	17
Flow across the model boundary	1,015	7,880	9	68
Recharge	5,975	0	52	0
Bedrock aquifers	Pottsville Formation	2,650	23	15 ^a
	Berea Sandstone	1,750	15	
Total Flow	11,390	11,640	100	100
In–Out	–250			
% error	–2.2			

^a Pottsville Formation and Berea Sandstone
