

# Correction to: Generation of amplitude- and phase-modulated signal beam with a phase-only spatial light modulator and its detection by the transport of intensity equation method for holographic data storage

Masatoshi Bunsen<sup>1</sup> · Taishi Miwa<sup>2</sup>

Published online: 12 June 2023  
© The Optical Society of Japan 2023

## Correction to: Optical Review

<https://doi.org/10.1007/s10043-023-00812-0>.

In the original publication, DOI numbers in References were not included and minor typos in text and table were noted. The original publication has now been corrected.

**Publisher's Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
