Erratum to: J Artif Organs (2016) 19:262–269 DOI 10.1007/s10047-016-0894-9

In the original publication of the article, the IRB registration number present at last line of “Preparation of MicroBiotubes” under the heading “Materials and methods” has been published incorrectly. It should be as in this erratum.

The corrected sentence is:

All animals received care according to the Principles of Laboratory Animal Care (formulated by the National Institutes of Health, Publication No. 56-23, received 1985), and all research protocols were approved by the ethics committee of the National Cerebral and Cardiovascular Center Research Institute (No. 14016).
