This article has been found to contain errors that resulted from accidental implementation of outdated mutation data files in the preparation of the manuscript. We thank Dr. Antonio Salas from Universidad de Santiago de Compostela, Galicia, Spain, for bringing these errors to our attention. Results and conclusions of the article remain unchanged. Article text, Table 3, Table 4, Figure 1 and Figure 2 have been corrected and the revised article is available as supplementary material to this Erratum. The authors regret these errors.
