The affiliations of **Manuel F. Ugarte-Gil**, one of the author of the above article has a discrepancy between the online version of the publisher's internet portal (currently SpringerLink) and the online pdf version. The correct affiliation should have been, “**School of Medicine, Universidad Científica del Sur, Lima, Peru**” instead of “**School of Medicine, The University of Alabama, Birmingham, USA**”. This is now presented correctly in this article.

The remainder of the article remains unchanged.

**Publisher's note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
