**Erratum to: Neurol Sci 32 (Suppl 1):S41–S43,
DOI 10.1007/s10072-011-0557-9**

In the published original article, paragraph “The hyperactivity of these areas ...”, the word “hypoactivity” has been erroneously typed “hyperactivity”.

Therefore, the correct sentence should read:

“Preliminary data by our group on chronic migraineurs without analgesic abuse also show no fMRI hypoactivity in these areas of the lateral pain system.”

The online version of the original article can be found under doi:[10.1007/s10072-011-0557-9](https://doi.org/10.1007/s10072-011-0557-9).
