Erratum to: Eur J Clin Microbiol Infect Dis
DOI 10.1007/s10096-012-1587-9

The correct figures for this paper are published here. The authors would also like to point out a correction to the sentence ‘Antibiotic-associated colitis has been seldom linked to microorganisms other than *C. difficile*’ which appears on page 4, third paragraph first line.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10096-012-1587-9>.
