In the original publication, a unit in Table 2, a reference and its citation were published incorrectly. The author apologizes for this error.

In Table 2, the unit “USD/MWh/day” was published incorrectly and it should read as, “USD/MJ/day”.

The reference “Messalem et al. (2010)” was mentioned incorrectly as, “Messalem R, Kedem O, Linder C (2010) Apparatus and system for deionization. Google Patents.”

The corrected reference should read as, “Messalem R, Kedem O, Linder C (2009) Apparatus and system for deionization. WO2009077992 A2, 25 June 2009.”

As a result, the citation in the text should be given as “(Messalem et al. 2009).”
